To our Valued Clients:

Every fall the salon floor at Midwest College of Cosmetology is very short on students because of the graduation of our August Class. We are very proud of this class and their accomplishments as they start their new careers.

As you know, we are a school and our students must go through training before they come onto the salon floor to provide services for clients. At this time, we are very limited on students who are available to provide services and this creates extended wait times for our customers.

We greatly appreciate your business and support of the education at our school. Student availability should increase as the next August class comes out to the salon floor in November. They are scheduled to start their salon floor work the week of November 16th. Until then, we will be experiencing extended wait times for services.

If you have any questions or concerns about services, please call me at 309-268-4330 or at jfiorini@lincolncollege.edu.

Thank you for your understanding and we appreciate your continued support of Midwest College of Cosmetology.

Sincerely,

Jennifer Fiorini
Director
